Ward 10 - Gloucester-Southgate

Q4

To reach our collective potential, we must work together to build up Ottawa. That requires a council in which each member commits to city wide leadership. What is your intended approach to collaboration with council, city staff and economic partners?

I intend to work with businesses, labour, indigenous groups and service groups as equals. The vulnerable needs a voice at the table.

Q5

What key characteristics and skills do you possess that make you a great leader and ambassador for the city of Ottawa, and the national capital region?

My background speaks for itself. Before I moved to Ottawa I took leadership roles in my hometown as an Economic Development Chair, OPP Community Policing Chair, a volunteer firefighter, and ran a successful summer festival

Q6

What are your top three priorities for Ottawa's future?

-Work hard to get transit working again.

-Infrastructure is failing business and citizens alike --roads sidewalks

Q7

Yes, I would like to attend.
