Ward 21 - Rideau-Jock

Q4

To reach our collective potential, we must work together to build up Ottawa. That requires a council in which each member commits to city wide leadership. What is your intended approach to collaboration with council, city staff and economic partners?

Collaboration is the key to building better city and region!

I believe in team work approach with all my council, city staff and economic partner to reach best decision and best course of action to execute on all out short and long term goals/priorities.

Q5

What key characteristics and skills do you possess that make you a great leader and ambassador for the city of Ottawa, and the national capital region?

I bring years of successful business and people management experience.

I also bring no non sense common sense approach to issues/problems and deal with root cause and not just symptoms.

I know how to work with teams and set realistic goals to execute on plans.

I am experienced in explaining and defining how and what is required to successfully execute plans/priorities.

Q6

What are your top three priorities for Ottawa's future?

Sustainable proactive infrastructure development and growth.

Controlling ballooning debt and interest payment to ensure tax dollars are spent on priorities and not on interest payments.

Build and restore basic mandated municipal service i.e. Paramedics, Transportation, Recycling /Garbage(no more dumps)

Q7

Yes, I would like to attend.
