Q4

To reach our collective potential, we must work together to build up Ottawa. That requires a council in which each member commits to city wide leadership. What is your intended approach to collaboration with council, city staff and economic partners?

I am supporter of Pvt. Public partnerships. I see it as an competitive environment for businesses to grow in lieu of a quality service provided to the citizens

Q5

What key characteristics and skills do you possess that make you a great leader and ambassador for the city of Ottawa, and the national capital region?

My 26 years of accounting & finance experience, having Paralegal certificate to understand & draft laws are two major among other skills I have.

Always look for more than 1 approach to achieve the target.

Q6

What are your top three priorities for Ottawa's future?

- 1- A cost effective & a balance approach towards city finances.
 - 2- Fix transit problems & adopt a Ring model for routes to connect suburbs rather than connect all to downtown
 - 3- Revive small business & for this will reach to province to make landlords to forfeit the balance of 2020 & 2021 rental payments.
